

# Angels fall first

Nightwish

Intro: |:e - G - C - a:| (4x)

e G D e  
An angelface smiles to me. Under a headline of tragedy

G H7  
That smile used to give me warmth

e G D e  
Farewell - no words to say beside the cross on your grave

G H7 - a - e - a - G - H7  
And those forever burning candles \*SOLO\*

e C5 D a e C5  
Needed elsewhere to remind us of the shortness of our time  
Tears laid for them

D a F C G  
Tears of love tears of fear. Bury my dreams, dig up my sorrows

a F C G  
Oh Lord why the angels fall first?

e G D  
Not relieved by thoughts of Shangri-La

e G H7  
Nor enlightened by the lessons of Christ

e G D  
I'll never understand the meaning of the right

e G H7 - a - e - a - G - H7  
Ignorance lead me into the light \*SOLO\*

e C5 D a e C5  
Needed elsewhere to remind us of the shortness of our time  
Tears laid for them

D a F C G  
Tears of love tears of fear. Bury my dreams, dig up my sorrows

a F C G  
Oh Lord why the angels fall first?

SOLO auf Intro (2x)

a e d a  
Sing me a song of your beauty of your kingdom

e d a  
Let the melodies of your harps caress those whom we still need

e d a  
Yesterday we shook hands my friend

e d |:a - e - d - a:| (to end)  
Today a moonbeam lightens my path - my guardian
