

Let her go

Passenger

Intro: |:C – D – e – D:| 4x

Well |you only need the light when it's burning low. Only miss the sun when it starts to snow.

Only know your lover when you let her go

Only know you've been high when you're feeling low. Only hate the road when you're missin' home.

Only know your lover when you've let her go| and you let her go.

Staring at the bottom of your glass. Hoping one day you will make a dream last.

The dreams come slow and it goes so fast.

You see her when you close your eyes. Maybe one day you will understand why

everything you touch all it dies

But – Refrain

Staring at the ceiling in the dark Same all empty feeling in your heart

Love comes slow and it goes so fast

Well you see her when you fall asleep But never to touch and never to keep

Because you loved her to much And you dive too deep

Well – Refrain

|:And you let her go Oh-ooooh oh-ooooh:|
